## 8. Motion

**The Honourable First Member for Port Louis Maritime and Port Louis East (Mr S. Mohamed)**

***“This Assembly resolves that the decision of Madam Speaker in finding no merit in the Point of Order raised by my goodself on 17 June 2019 in relation to the Breach of Standing Order 40(3) by the Acting Prime Minister on 21 May 2019 with regard to the following words uttered by the latter in the course of his summing up of the debate on the United Nations (Financial Prohibitions, Arms Embargo and Travel Ban) Sanctions Bill (No. VII of 2019) and the Anti-Money Laundering and Combatting the Financing of Terrorism and Proliferation (Miscellaneous Provisions) Bill (No. VIII of 2019), I quote –***

*“This Member - I believe he is First Member for Constituency No. 3 -, let us not think as he says; we are going to say he talks nonsense, he is ridiculous. He is neither nonsense nor ridiculous; he knows who he is protecting. There are people who have associated themselves with arms traffickers, who were going to sell arms to terrorists, and these people would have had their assets frozen. He does not want that law to pass and he is probably going to repeal it if ever he comes back to power, because he wants to protect certain persons. He does not want to have assets of people who finance terrorists to be frozen. He does not want that at all! He wants them to continue their business and he would like Mauritius to be the haven of traffickers, and that is why he is so hysteric tonight”.*

***be reviewed”.***
