(10.33 a.m.)

Vote 17-1 – Ministry of Business, Enterprise and Cooperatives was called.

The Chairperson: We have got six pages and a total time of 15 minutes. Page 302, hon. Rughoobur!

Mr Rughoobur: Thank you, Madam Chairperson. Item 22030 – *Rent*, it appears that this figure of Rs7.9 m. which is increased to Rs8.1 m. is quite high, 3% of recurrent. May I know from the hon. Minister whether there is any alternative he has considered for reducing this?

Mr Bholah: For the time being, Madam Chairperson, there is no possibility because we have maintained the same buildings and offices as it used to be last year.

Mr Uteem: Under item 22900.14 – *Hospitality and Ceremonies*, may we have a breakdown of what is being catered for in the coming years?

Mr Bholah: For Hospitality and Ceremonies, we have funds provided to meet SME Excellence Award Rs1.5 m. and then we have hosting of workshops Rs275,000.

Mr Armance: Thank you, Madam Chairperson. Item .005 – *Extra Assistance*, can we have some details? I can see the budget has been reduced, may we know why?

The Chairperson: Page 303, hon. Rughoobur!

Mr Rughoobur: Thank you, Madam Chairperson. Item 21110.015 – *SME Registration Unit, Registrar*, this is a new post. May I know the incumbent? There is no provision for it while I see that there is a considerable increase in allowances, will these allowances be used to pay the incumbent?

Mr Bholah: I see two different questions. The scheme of service for the Registrar is being finalised. That is why there is no provision for the time being.

(Interruptions)

No, there is a Manager for the time being, an ex-employee of SMEDA.

The Chairperson: Hon. Uteem!

Mr Uteem: Page 303, item 21110, I see that there is a number of people under the SME Registration Unit which is referred to as ex-SMEDA. Can I know from the hon. Minister whether there is any new position to be filled by ex-SMEDA people in the coming year?

Mr Rughoobur: Under the same item 26313.147 – *Implementation of the SME Master Plan*, there was an amount of Rs30 m. that was earmarked for 2018 -2019. May I know what is the amount that has been utilised out of these Rs30 m.?

Mr Bholah: In fact, an amount of Rs22.5 has already been committed out of which disbursement to the tune of Rs5.1 has been made and the difference will be made after June this year.

The Chairperson: Hon. Uteem!

Mr Uteem: Thank you, Madam Chairperson. Under item 26313.147 – *SME Mauritius Ltd*, the operating budget last year was Rs60 m. and we are now budgeting Rs45 m. May I know from the Rs60 m. how much was spent and why are we reducing the budget now to Rs45 m.?

The Chairperson: Hon. Adrien Duval!

Mr A. Duval: Thank you, Madam Chairperson. Under the same item, may we have the composition of the Board of Directors of SME Mauritius Ltd. as well as the Director and the salary drawn by the Director?

Mr Armance: Thank you, Madam Chairperson. Item 21210 - *Social Contributions*, I can see the amount has been increased this year. May we know why and what has been spent out of the budget of last year?

Mr Bholah: Which item, please?

Mr Armance: 21210.

Mr Bholah: *Social Contributions*, yes. Provision for payment of contributions to the National Savings Fund for all employees at the rate of 2.5% monthly salary. Increase caters for yearly increment related to basic salary and for additional staff.

The Chairperson: Hon. Adrien Duval!

Mr A. Duval: Thank you, Madam Chairperson. With regard to item 26313.061 - *National Cooperative College (NCC)*, may we know who is heading up that initiative, since when it has been up and running, and what is the target for this year?

Mr Bholah: Many questions in a simple question. Well, the Director is Mr Seechurn. He was previously the Director of NICE which has now been converted into a college. NICE was National Institute for Cooperative Entrepreneurship, it is being run as from last year. What is the target, I can just circulate after, the objective of the college.

The Chairperson: I will remind hon. Members that they have to ask one question at a time. Page 306, hon. Rughoobur!

The Chairperson: Hon. Jahangeer!

Mr Jahangeer: Thank you, Madam Chairperson. It has already been answered.

The Chairperson: Okay! Hon. Lepoigneur!

Mr Lepoigneur: It has already been answered.

The Chairperson: Hon. Adrien Duval!

Mr Duval: Thank you, Madam Chairperson. Just one clarification with regard to 28225.016 - *Ornamental Fish Farm Scheme*, we see that there is Rs500,000 for this year and then, no budget provision. May we have details of the scheme and for the provision?

Mr Bholah: In fact, this is a budgetary measure announced by the hon. Prime Minister in his Budget Speech. We have been training people to undertake business in ornamental fishing and 20 cooperative societies will be earmarked and each of them will receive Rs25,000 as a grant in order to launch this business.

The Chairperson: Hon. Tarolah!

Mr Tarolah: Thank you, Madam Chairperson. Item 28225.013 - *Solar Photovoltaic Rebate Scheme*, can the hon. Minister enlighten the House about the beneficiaries of the scheme?

Mr Bholah: Well, these are different cooperative societies which will apply under this scheme.

Vote 17-1 Ministry of Business, Enterprise and Cooperatives (Rs244,600,000) was, on question put, agreed to.

(10.47 a.m.)

Vote 18-1 Ministry of Social Integration and Economic Empowerment was called.

The Chairperson: We have got a total of 3 pages for 20 minutes. Page 307, hon. Adrien Duval!

Mr A. Duval: Thank you, Madam Chairperson. With regard to the item 21110 - (1) *Permanent Secretary*, will the hon. Minister ask the Permanent Secretary, the Finance Officer, why is it that there is an under spending of \Rs80 m. for last year, on which project have we not spent that money?

The Chairperson: No, that vote item is for the Permanent Secretary. We cannot ask the Permanent Secretary why he or she did not take action on such and such...

(Interruptions)

Right! No, I am really sorry! Page 308, hon. Armance!

Mr Armance: Thank you, Madam Chairperson. Item 22120 – *Fees*, I can see that the fees have been increased this year. May we know why and what fees have been paid last year out of the amount of Rs1.975 m.?

Mr Wong Yen Cheong: There is an increase of Rs300,000 for fees on UNDP Consultant. The provision of Rs2,275 m. for the following –

The Chairperson: Hon. Rughoobur!

Mr Tarolah: Thank you, Madam Chairperson. Item 22130 - *Studies and Surveys*, can the hon. Minister elaborate on this, please?

The Chairperson: *Studies and Surveys*.

Mr Wong Yen Cheong: The Ministry is proposing to commission a study on poverty related matters in collaboration with local universities, research institutions. The aim of the studies is to explore the willingness among the SRM beneficiaries to move out of absolute poverty and the challenges they might face for the sustainable development. The SRM household is presently supported through a variety of empowerment programmes for the welfare of the family and its members. The study will analyse as to whether the households will be able to sustain their living without any empowerment support.

The Chairperson: Hon. Lepoigneur!

Mr Lepoigneur: Can the Minister gives us the details 21110.005-*Extra Assistance* please. Can he table it please?

The Chairperson: Item 21110.005-*Extra Assistance*.

The Chairperson: Hon. Adrien Duval!

Mr A. Duval: Thank you, Madam Chairperson. With regard to 22060-*Maintenance*, we see that last year there was an additional million spent, may we know on what and who was the service provider?

Mr Wong Yen Cheong: Rs900,000 is for maintenance of building due to completion of renovation works and the decrease is Rs100,000 for IT equipment following partial completion of enhancement social integration management information system. Provision of Rs1,340 m. is for year 2019/20 and there are different items, if the hon. Member wants I can circulate.

The Chairperson: You can circulate.

Mr A. Duval: This is not the question. The question is on what have we spent it exactly and who was the service provider?

Mr Wong Yen Cheong: The building where we are is in Air Mauritius building and the service provider is MEDCOR. Thank you.

The Chairperson: Hon. Armance!

Mr Armance: Regarding item 22130- *Studies and Surveys*, I see there is a recurrent sum of Rs500,000 each and every year. May we know for last year which studies and surveys were done by the Ministry and how much was spent.

The Chairperson: You have just replied to this question?

Mr Wong Yen Cheong: The provision is to update the SRM map and to conduct and commission studies and surveys on poverty related issues, and the sum that we have disbursed for which I don't have the information with me, but I can table it or circulate. Thank you.

The Chairperson: Page 309. Hon. Ramful!

Mr Ramful: Thank you, Madam Chairperson. Item 26323.135 (a)-*Social Housing for Vulnerable Groups (i) Construction of Social Housing Units*, can we know for last year Rs80 m. was budgeted. How much of these Rs80 m. has been spent, and can we know how many houses have been constructed and delivered?

Mr Wong Yen Cheong: As at date, for the National Empowerment Foundation, we have the construction of 40 housing units of 50 square metres across the island and we spent Rs40 m., and payment of Rs40 m. effected to NHDC for the provision of 69, that is, in a breakdown of 33 and 36 housing units to be allocated to those who don't have land - SRM beneficiaries.

(Interruptions)

Up to now, I don't have the exact number but I have the total to what will be delivered, but as soon as I get the information, I will circulate it.

(Interruptions)

The hon. Member can wait. Thank you. 34 houses have been...

(Interruptions)

and from a sitting position, Madam Chairperson.

The Chairperson: You don't have to draw my attention, hon. Minister, I know what I have to do. Hon. Leopold!

Mr Leopold: Thank you, Madam Chairperson. Page 309, item 26313.135 (d) *Other Programmes*, just want to ask the hon. Minister why there is such a substantive decrease for the coming financial year?

Mr Wong Yen Cheong: The reasons for the decrease of an amount of Rs5.8 m. are as follows –

- (i) the SRM project mobile technology has been completed, the project cost Rs3 m. and funds of Rs1 m. provided in financial year 2018/19 have been reduced to Rs200,000 in financial year 2019/20 to meet operation costs and these are costs for SMS messages to be sent to SRM beneficiaries, and
- (ii) there is a provision under the special scheme Start Kit for Unemployed has decreased from Rs15 m. to Rs10 m. for financial year 2019/20. In addition, three courses have also been organised by the Ministry of Agro Industry, National Cooperative College for the SRM beneficiaries.

The Chairperson: Hon. Baloomoody!

Mr Baloomoody: The item 26313.135 (a)-*Operating costs*, Rs132 m. for the National Empowerment Foundation. May we have a breakdown of the operation costs?

Mr Wong Yen Cheong: There is a provision of funds to meet operation costs, corporative services/NEF Rs120 m. and corporative services for Rodrigues is Rs15 m. - it's a long list.

The Chairperson: You can circulate the list please. Hon. Abbas Mamode!

Mr Abbas Mamode: Thank you, Madam Chairperson. Item 26323.135(a)(ii) *National Empowerment Foundation - Upgrading of Existing Houses*, there was a budget of Rs10 m. last year and this year it has been decrease by 50%, Rs5 m. only have been budgeted. Can we know the list of last year projects, the regions where houses have been upgraded?

Mr Wong Yen Cheong: Again it's a list all around the island. It's a long list, I can circulate it.

The Chairperson: You circulate it, hon. Minister. Hon. Adrien Duval!

Mr A. Duval: Thank you, Madam Chairperson. With regard to the same item , item 26323.135(a)(ii) *Upgrading of Existing Houses*. Why is it that there is a cut in the spending by half of the budget for the three coming years?

Mr Wong Yen Cheong: SRM has signed a contract for two years and we have extended it for another two years and then it would be vanishing because with the Government we have goal to that. There will be no SRM because we are going to empower the people, so we won't need funds anymore.

Mr A. Duval: Madam Chairperson, this is not SRM, it's about the construction of houses under the item. It's about upgrading of the existing houses. We didn't ask about the Social Register of Mauritius.

Mr Wong Yen Cheong: The decrease from Rs10 m. to Rs5 m. under this item is due to the fact that the beneficiaries will be directed to apply for housing support under the roof slab grant scheme and building material grant scheme available at the Ministry of Housing for the year 2019/20; 19 houses have been upgraded.

The Chairperson: Hon. Jahangeer!

Mr Jahangeer: Thank you, Madam Chairperson. Item 27210.014 (b) *Educational Support*. May we know why the child allowance is in the decrease trend?

Mr Wong Yen Cheong: For financial year 2018/19, an amount of Rs104,047,107 have been paid as child allowance. There has been a decrease of Rs15 m. from Rs135 m. to Rs120 m. for financial year 2019/20 based on actual expenditure trend and, of course, we do budget higher. It depends on the number of children that attend school that we paid it.

The Chairperson: Hon. Lepoigneur!

Mr Lepoigneur: Thank you, Madam Chairperson. On the same Item 26323.135(a)(i) - *National Empowerment Foundation - Social Housing for Vulnerable Groups - Construction of Social Housing Units*, the hon. Minister just announced, for construction of social housing, that 34 houses have been built. Can he table the list of the beneficiaries, please?

Mr Wong Yen Cheong: I will table it.

The Chairperson: Hon. Jhuboo!

Mr Jhuboo: Where hon. Lepoigneur left, Madam Chairperson, concerning the provision for Rs200 m. for the next three years.

(Interruptions)

The Chairperson: Please no comments from a sitting position!

Mr Jhuboo: Can I know from the hon. Minister the number of houses that will be constructed in Constituency No. 14, please?

Mr Wong Yen Cheong: I just answered a question like this.

The Chairperson: You did not get the question. Can you repeat the question, hon. Jhuboo?

Mr Jhuboo: Where hon. Lepoigneur left, concerning the construction of social housing units, I would like to know from the hon. Minister the number of houses that will be constructed in Constituency No. 14, please?

Mr Wong Yen Cheong: I do not have the exact figures that will be constructed in Constituency No. 14 because we go by district. We can calculate it and give the hon. Member.

The Chairperson: Hon. Armance!

Mr Armance: Thank you, Madam Chairperson. Item 27210.014(b) (ii)- *Poverty and Empowerment (Marshall Plan Against Poverty) – Educational Support of which child allowance*, I can see that the budget is being reduced each and every year. May we know why? And out of the budget of Rs135 m. for last year, what amount has been disbursed?

Mr Wong Yen Cheong: Madam Chairperson, I just answered that question.

The Chairperson: Hon. Baloomoody!

Mr Baloomoody: Thank you. I asked a question about the operating cost which is Rs132 m. and I asked for communication. I found that I have been communicated with only operating costs for Mauritius, Rs25.5 m. and operating costs for Rodrigues, Rs3.9 m., a total of Rs29.4 m. My question is why are we budgeting Rs132 m.? May we have details of that Rs132 m. not only Rs29.4 m.?

The Chairperson: Can you reply, hon. Minister?

Mr Wong Yen Cheong: I do not have the answer with me here, but I can give the hon. Member.

The Chairperson: Hon. Adrien Duval!

Mr A. Duval: Under Item 26323.135(a)(i) - *National Empowerment Foundation - Social Housing for Vulnerable Groups - Construction of Social Housing Units*, the hon. Minister has said that he would circulate the list of 34 houses and there were 34 houses completed. Yet, from the list that he has circulated, there are 23 houses. May we know if it is 23 houses that he has constructed or he has not given us the complete list? It is either one or the other.

Mr Wong Yen Cheong: I believe there must be a few houses missing on the list then.

(Interruptions)

The Chairperson: Please wait hon. Minister! I just want to say that if on the list that has been submitted by the hon. Minister there are names, I would not accept that list. There are names of beneficiaries?

(Interruptions)

No names! Okay!

Mr Wong Yen Cheong: Even if they want the names, we can circulate.

The Chairperson: No, hon. Minister! I have given a ruling. I have said that if there are names on the list, I will not accept that the list be tabled. Did you have a reply to give, hon. Minister?

Mr Wong Yen Cheong: I do not have the names.

Mr A. Duval: Under the Item 28212.019 - *Transfers to Households - DCP for Socio Economic Empowerment*, Rs15 m. was budgeted last year. Out of this Rs15m. can we know how much was spent and how many families were parented under the programme and why is it that the programme will have no more funding in the future?

Mr Wong Yen Cheong: There is a decrease from Rs15.1m. to Rs12m. as DCP programme will phase out in October 2019. The decrease is in respect of provision of salaries for the staff attached for the programme and the provision made is payment of 20% of remaining balance of rent of DCP projects. This amount is funded by the European Union, Rs10 m.

Secondly, the staff cost of the programme include salaries, allowances, gratuity, passage benefits and cash in lieu of leave. Officers are employed on a contractual basis. This represents Government of Mauritius contribution according to financing agreement of Rs3 m. Under phase 3 of the DCP, grants have been awarded to 20 projects in Mauritius for a total amount of Rs46,075,351.53 and for 11 projects in Rodrigues for a total amount of Rs21,081,744. The total amount awarded to NGOs is Rs67,157,095. Salaries paid to staff employed on contractual basis under the DCP are as follows. There is one Programme Coordinator which draws Rs1m. I can circulate it.

The Chairperson: Hon. Tarolah, last question on this page.

Mr Tarolah: Thank you, Madam Chairperson. Item 27210.014(b) (iii) - *Poverty and Empowerment (Marshall Plan Against Poverty) – Educational Support of which School Materials*. There is an increase of Rs25 m. for financial year 2019/2020. Can the hon. Minister enlighten the House about the increase?

Mr Wong Yen Cheong: The increase of Rs25 m. is to meet the cost of one additional set of uniform and one additional pair of shoes to some 19, 000 students. Presently the students are provided with 2 sets of uniform, 1 pair of shoes and 1 pair of stationaries. In view of climate change, flash floods, it is proposed to provide students with an additional pair of uniform and 1 additional pair of shoes because we have realised that there are lots of absences because the parents were making representation that they do not have uniform, it is wet. So as a caring Government, we have provided extra allowances for this and thanks to the Prime Minister.

Vote 18-1 Ministry of Social Integration and Economic Empowerment (Rs761, 000,000) was, on question put, agreed to.

(11.08 a.m.)

Vote 19-1 Ocean Economy, Marine Resources and Shipping was called.

The Chairperson: We have got a total of six pages for 20 minutes. Page 312, hon. Ramful!

Mr Ramful: Thank you, Madam Chairperson. Item 21110.005 - *Extra Assistance*, there is an amount of Rs5.8 m. budgeted for last year. Can we know what this item is about?

Mr Koonjoo: Madam Chairperson, the difference is due to the fact that salaries and allowances proposed were reviewed. Provision made for payment of salaries and allowances, that is, bonus, travelling, passage, and so on.

(Interruptions)

The Chairperson: Please do not interrupt him!

Mr Koonjoo: You understand it then.

The Chairperson: Hon. Thierry Henry!

Mr Henry: Item 21110.005 - *Extra Assistance*, may we have the details of what this money is budgeted for, to whom it is paid?

Mr Koonjoo: Madam Chairperson, I will circulate the answer.

The Chairperson: Hon. Osman Mahomed!

Mr Osman Mahomed: Thank you, Madam Chairperson. On the same page, item 21110 (39) - *Head, Ocean Economy Unit*, can I ask the hon. Minister why is there not a provision for the next four year for one Head of Ocean Economy Unit?

(Interruptions)

The Chairperson: Mind your language!

(Interruptions)

Don't make comments, please!

Mr Koonjoo: Madam Chairperson, it's a long reply, I'll circulate it.

The Chairperson: Okay! Hon. Adrien Duval!

Mr A. Duval: No question. It was been answered.

The Chairperson: Okay! Page 313, hon. Abbas Mamode!

Mr Abbas Mamode: Yes Madam Chairperson, thank you. Concerning item 22030 – *Rent*, which building the rent means for and the name of the owner?

The Chairperson: 22030 – *Rent*.

Mr Koonjoo: Provisions are made for the payment of rent for ground and for floor at the LIC Building.

The Chairperson: Hon. Osman Mahomed!

Mr Osman Mahomed: Yes, thank you. Item 22900.970 - *Management of Coastal Zones (UNDP/GEF Funded)*, Rs46 m. for this year, quite a substantial amount of money voted for the next few years as well. Can I ask the hon. Minister what has been the outcome last year and what is the plan going forward?

Mr Koonjoo: Madam Chairperson, project funded by the UNDP/GEF from grant of Rs165 m. to be spent in five years from 2015 to 2021. The provisions of the Rs46 m. for 2019 to 2020 are as follows –

- payment to international consultants;
- purchase of equipment for enforcement and monitoring of the marine protected area, and last
- acquisition of IT equipment, amongst others.

The Chairperson: Hon. Baloomoody!

Mr Baloomoody: Thank you, Madam Chairperson. Item 26313.040 - *Mauritius Oceanography Institute*, last year, we budgeted Rs61,500,000. May we know out of the Rs61.5 m., how many have been spent? And can we have a detail breakdown?

Mr Koonjoo: Rs55 m. The provisions for the MOI, recruitment expenses Rs43 m., of out which Rs1 m. is for coral farming. Last year, MOI received Rs43 m., out of which Rs3 m. was for coral farming. Additional Rs2 m. for recruitment of expenditure is due to cost related to maintenance of MOI building and for payment of increment to staff.

The Chairperson: Hon. Dr. Boolell!

Dr. Boolell: Thank you, Madam Chairperson. On the same item 26313.040 but with respect to the *Global Monitoring for Environment and Security (GMES)/Africa Support Programme (AU Funded)*, can we have an outcome of the programme and what coastal States of the continent are participating in the programme?

However, after readjustment of the fund by the African Union Commission, the contract was signed with the MOI in October 2018 for a total amount of *Euro* 1.2 m. instead of 1.4 billion. The first instalment out of these three, that is, about 418,943 has been received in June 2019. As regards the others, it's a long answer. Chairperson, I'll circulate it.

The Chairperson: You can circulate it.

MATTERS RAISED

Madam Speaker: Hon. Uteem!

NAZARETH, TRANQUEBAR - GARDEN - LIGHTING

Mr Uteem: I would like to raise a matter which concerns the Vice-Prime Minister, the Ministry of Local Government and especially the Municipal Council of Port Louis. It relates to a garden in Tranquebar in a place called Nazareth. This is the place which is used regularly by children and their parents. Unfortunately, there is no lighting at that place and now, with winter season, darkness comes in very early and because of the lack of the presence of a lighting, there are all types of people and it is very unsecure.

So, I'll urge the hon. Vice-Prime Minister to see to it that the appropriate lighting are installed there.

The Vice-Prime Minister, Minister of Local Government and Outer Islands, Minister of Gender Equality, Child Development and Family Welfare (Mrs F. Jeewa-Daureeawoo): Yes, Madam Speaker, we will look into it.

Madam Speaker: Hon. Baloomoody!

POINTE AUX SABLES - RESIDENTIAL AREA - STORE

Mr V. Baloomoody (Third Member for GRNW & Port Louis West): My question is addressed to the hon. Minister of Local Government.

There is at Pointe aux Sables in the residential area near the sugar industry a huge store being built there. It is in a residential area.

Following the incident which took place at La Tour Koenig where there was a break of gas and everything, so people are worried about what this store is for. We hear information that it will be for the storage of gas; we don't know what product will be stored there.

So, can I ask the hon. Minister to liaise with the Municipal Council of Port Louis to ensure that no inflammable products are stored in that big building which is being constructed now at Pointe aux Sables.

Thank you.

The Vice-Prime Minister, Minister of Local Government and Outer Islands, Minister of Gender Equality, Child Development and Family Welfare (Mrs F. Jeewa-Daureeawoo): Yes, Madam Speaker. Is it being constructed by the Municipal Council of Port Louis?

Mr V. Baloomoody: Permit has been given by the Municipal Council of Port Louis, I think so.

Mrs Jeewa-Daureeawoo: I will look into it.

Madam Speaker: Hon. Ameer Meea.

EID AL-ADHA FESTIVAL – PRICE FIXING COMMITTEE

Mr A. Ameer Meea (Second Member for Port Louis Maritime & Port Louis East): Madam Speaker, the issue I am raising today is in relation to the Ministry of Industry, Commerce and Consumer Protection.

What happens every year is that with the coming of the Eid Al-Adha Festival, there is a committee at his Ministry which sits for the price that will be fixed for the Festival. This year, there has not been any meeting up to now and there are various stakeholders in it: the importers, the resellers, the consumers. So, I would ask the hon. Minister if he can look into the matter and communicate to the public.

Thank you.

The Minister of Agro-Industry and Food Security (Mr M. Seeruttun): Madam Speaker, on behalf of my colleague, I will convey the message to him, but I know that, usually, well before the Eid Al-Adha Festival, we do meet and look at that price issue.

Madam Speaker: Hon. Lepoigneur.

MORCELLEMENT LA CONFIANCE - HUMPS - INSTALLATION

Mr G. Lepoigneur (Fifth Member for Beau Bassin & Petite Rivière): Merci, Madame la présidente. Ma requête s'adresse au ministre de l'infrastructure publique, l'honorable Bodha.

C'est une requête de la part des habitants de morcellement La Confiance où il y a des voitures qui roulent à vive allure, ce qui est un danger pour la région surtout depuis que la route a été asphaltée. D'ailleurs, les habitants remercient le ministre pour cela. Serait-il possible maintenant de mettre des ralentisseurs. Je dépose la demande pour que le ministre voit les gens qui ont signé la pétition.

The Minister of Public Infrastructure and Land Transport, Minister of Foreign Affairs, Regional Integration and International Trade (Mr N. Bodha): Je vais m'en occuper, Madame la présidente. Merci.

Madam Speaker: Hon. Mrs Sewocksingh!

WOOTON - FOOTBALL PITCH

Ms M. Sewocksingh (Third Member for Curepipe & Midlands): Madam Speaker, I would like to address the matter to the hon. Vice-Prime Minister, Minister of Local Government. It concerns a football pitch in my Constituency in the area called Wooton.

Madam Speaker, this football pitch is in a very bad state. I would request the hon. Minister if she can look into the matter. The fencing is broken; the turf is not well maintained. The inhabitants have complained.

So, I'll request the hon. Vice-Prime Minister to kindly look into the matter.

The Vice-Prime Minister, Minister of Local Government and Outer Islands, Minister of Gender Equality, Child Development and Family Welfare (Mrs F. Jeewa-Daureeawoo): Madam Speaker, I will look into it.

Madam Speaker: Hon. Henry!

Mr T. Henry (Fourth Member for Mahebourg & Plaine Magnien): Merci, Madame la présidente. Ma requête va vers le *Minister of Housing & Lands* concernant les habitants de la Cité Balance à Plaine Magnien qui ont eu plusieurs réunions avec le ministère concerné en ce qu'il s'agit de la présence de l'amiante dans leurs maisons. Ils sont vraiment très inquiets et cherchent des solutions. Ils attendent que le ministère fasse le nécessaire pour l'amiante et en ce qui concerne aussi leur titre de propriété pour leurs maisons. Merci.

The Minister of Housing and Lands (Mr P. Jhugroo): Madam Speaker, with regard to asbestos, the needful is being done on behalf of the Government and with regard to Cité Langlois and Cité Balance, my colleague and I are very aware of this and we are dealing with this issue, and needful will be done.
