**Request of Dr the Honourable Minister of Finance,
Economic Planning and Development for the votes of
Centralised Services of Government at Committee of Supply
to be called out of turn, acceded to by Mr Speaker**

Monday 21 June 2021

Mr Speaker:

I wish to make an announcement regarding the Committee of Supply.

The Honourable Minister of Finance, Economic Planning and Development has made a request for the votes in regard to the Centralised Services of Government to be called out of turn, that is, immediately after the Committee would have considered the votes of expenditure for the Ministry of Finance, Economic Planning and Development. I have acceded to his request.

I thank you.
