

Debate No. 09 of 13.09.2005**WRITTEN ANSWER TO QUESTION****BUCTOWARSING ROAD, L'AVENIR – ROAD TARRING**

(No. I A/3) Mr S. Dayal (Second Member for Quartier Militaire and Moka) asked the Minister of Environment and National Development Unit whether, in regard to the enlargement and tarring of the Buctowarsing Road leading to the NHDC Complex in L'Avenir, he will state if he has received any representations from the inhabitants on its deplorable state and, if so, will he state what remedial measures he proposes to take, and when, to alleviate the hardship caused to the inhabitants.

Reply: The National Development Unit has received a request dated 25 July 2005, from L'Avenir Village Council regarding the enlargement of Buctowarsing Road and also for the provision of drain and footpath along the road. A similar request has been made by some residents of Le Vignol Complex on 03 August 2005.

However, the Buctowarsing Road is a private road and the NDU cannot take remedial action for the time being.

I am advised that a request to declare Buctowarsing Road as a public one has been made by the L'Avenir Village Council.

The National Development Unit will take appropriate action in the light of the decision of the District Council.
