Hon. Members

I quote -

« Donc, je ne vais pas, moi, m'attarder à répondre à certains propos qu'il a tenus. Parce que vous savez la citation française qui dit

A trop donner de l'importance à un âne, il se prend pour un cheval »

I do not think it was proper for the Honourable Member to make the comparison between the Hon. Minister and an ass, although indirectly. I will ask Honourable Armanee to withdraw the said words.
