Announcement 2 – **“Hon. Juman invited to withdraw certain words uttered by him to the address of the Hon. Prime Minister at the Prime Minister’s Question time”**

Honourable Members,

At the end of Prime Minister’s Question Time, I requested Honourable Juman who was engaged in an argument with the Honourable Prime Minister to present his apologies to the House.

It has come my knowledge that the Honourable Juman uttered the following words to the address of the Honourable Prime Minister –

“Ala ki san la derriere Citadel”
“demissioner aller ta”

This has been confirmed by the recordings.

I invite Honourable Juman to withdraw these words.
