

**National Assembly**

**Sitting of Tuesday 30 July 2024**

**Announcement No 2-**

***“Access to the Committee Rooms would be allowed to Honourable Members from both sides of the House on sitting days for the purpose of making their *point de presse*”***

**Honourable Members,**

I also wish to inform the House that I have taken note that Honourable Members are no longer granted access to Committee Rooms on sitting days for the purpose of holding their *point de presse*. This has led to Honourable Members holding their *point de presse* on the street of the city, which does not uphold the dignity of the House.

**Honourable Members,**

Henceforth, Honourable Members from both sides of the House will be allowed to use the Committee Rooms of the National Assembly on sitting days for the purpose of making their *point de presse*, subject to requests being made to that effect to the Office of the Clerk.

I thank you for your attention.
